DSU held its 2017 December Commencement on Dec. 16 in the Memorial Hall Gymnasium where more than 240 graduates received their diplomas recognizing the completion of bachelor's, master's and doctoral degrees. Among the undergraduates receiving their diplomas, five completed their academic journey as Summa Cum Laude (3.75 GPA and above), 14 as Magna Cum Laude (3.5 to 3.74), 15 as Cum Laude (3.25 to 3.49), and 11 as Honorable Mention (transfer students with 60 or more credit hours at DSU and a 3.5 GPA or above).

The keynote speaker was Steve Ewing, CEO and president of the Wade Ford Franchise in Smyrna, Ga., and a DSU alumnus – Class of 1983. He told the Class of 2017 his story of his career challenges – in which his first dealership failed. He noted that there are many reasons for failure, but no excuses.

DSU President Harry L. Williams presented the Presidential Academic Award to Seth Alan Fair, an Elementary Education major from Greenwood, DE who maintained a 4.0 GPA throughout his undergraduate journey and graduated Summa Cum Laude. Dr. Williams also presented a Presidential Leadership Award to Leah Brown, a public health major from Milford, Delaware.
